

Heavy Duty

Cloth Replacement
Towels

Like-Rags® Spunlace

A high performance nonwoven towel ... **LIKE-RAGS**®
are designed for durability, strength, and absorbency.
Ideal replacements for rental shop towels and rags.

LIKE-RAGS® can be used in all cleaning and wiping situations — heavy duty machine & part cleaning, polishing or bondo removal along with adhesive cleaning. Like-Rags are the ideal choice for applications that require resistance to solvents and virtually lint free wiping — applying aircraft solvents, wiping down print presses or plates and solvents for furniture stains.

LIKE-RAGS® eliminate the waste and cost guesswork associated with industrial rags. They allow you to control costs through consistent case count, size and quality. Re-usability and durability add up to a very cost effective, value added product line!
